# Quay Notes

Summer 2018

Welcome! We're really pleased to see you here, especially if you are visiting. Please do join us after the service for refreshments. This is our summer edition of Quay Notes; lots of our regular activities take a break over the summer so we are lighter on activities than usual but we'd love you to stick around and get to know us.

Over the summer there will be some weeks where the children and young people go out to groups, and some weeks when they stay in with us – we'll make it clear each week what's happening. Toys are available for babies and toddlers in the hall if you need to take them out during the service – it's streamed to a TV in there so you won't miss anything. We don't take an offering during the service but if you'd like to give there's a box in the foyer, which is where you'll also find that other important feature – the loos! We also have a loop system, please speak to one of the welcome team for more information.

We pray that God would bless you through our time together today. If you'd like to know more grab one of us afterwards or drop us an email and we'll be right in touch.

Mark Hardingham and Doug Waller,

Co-Ministers
